

2026

Interstate Quantum Hackathon

Quantum algorithms for beginners

WHEN

Oct 22–24

Kickoff Oct 22, 5:00 PM ET.
Closing ceremony Oct 30.

WHERE

Hybrid

At partner institutions
and online.

WHO

Teams of 2–4

Basic Python is enough.
No quantum experience needed.

THE CHALLENGE

VQE for quantum chemistry

Quantum machine learning

Build a working prototype on a quantum simulator, with bonus points for real hardware. Noiseless and noisy implementations. Prizes for the top three teams.

SCHEDULE · ALL TIMES ET

Sept 24 – Oct 3	Registration open
Oct 5 – 21	Three online trainings
Oct 22	Launch: VQE project, 5 PM
Oct 23	Keynote & QML launch, 5 PM
Oct 24	Code & submit, 9 AM – 4 PM
Oct 30	Closing ceremony, 5 PM

PARTNER INSTITUTIONS

Middle Tennessee State University · Purdue University · University of West Florida
Fisk University · Meharry Medical College · University of Alabama at Huntsville
Tennessee State University · Missouri State University · University of Alabama Tuscaloosa
